The Lexington

Stately, distinctive luxury leads up to a majestic great room with a double-sided fireplace that joins the spacious breakfast room. The gourmet kitchen features an oversized island and an abundance of counter top space ideal for entertaining. Right before the garage, the spacious mud room features two closets and two entry ways from the kitchen and the outside front porch. Two staircases lead upstairs, where the owner's suite features a sitting room, "his and hers" walk-in closets, a lavish corner shower and a corner garden tub.
