Elevation C with Brick

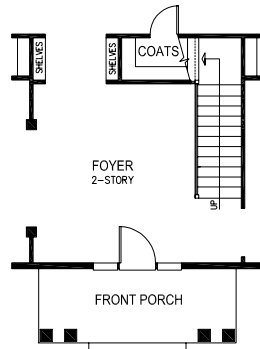

The Providence

This home boasts an extraordinary architectural design to accommodate all in the household. The first floor features a front porch that joins a spacious foyer and a family room that opens to above. The home shows an impressive hobby room that joins a second front porch. The magnificent gourmet kitchen features a spacious design with an angled island that connects to an exceptionally large pantry, laundry room and breakfast room. The study, living room and dining room complete the grandiose design.
